

REUSABLE PRODUCE BAG

A 18" x 5"

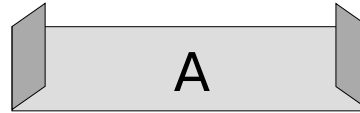

B 18" x 15"

40"-50" of string/rope

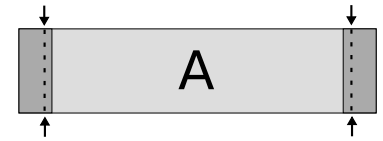

sewing

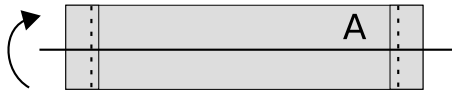

measure and mark 1" bands
using tailors chalk

fold over and press flat
using bone folder and iron

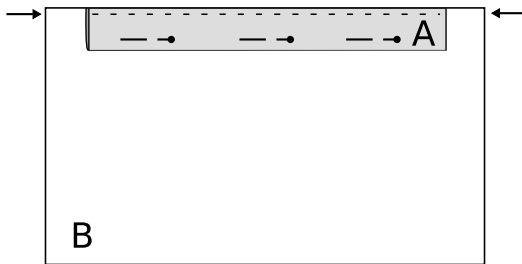

sew down ends

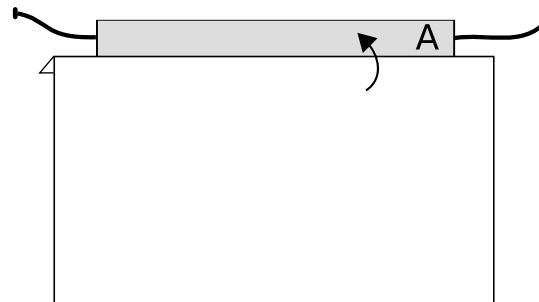

fold lengthwise
(rough edges on inside)

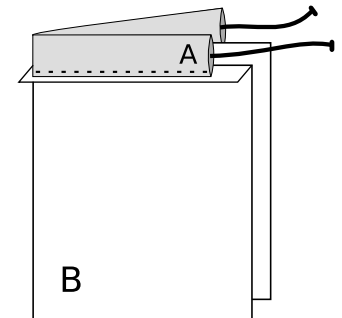

iron flat

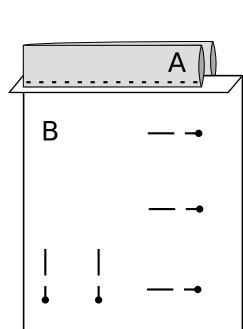

pin and sew A to B along the top

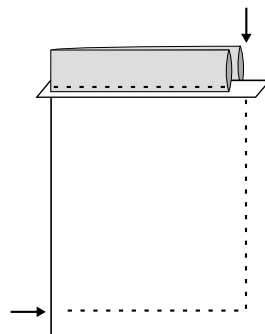

flip A up, iron flat, and add string

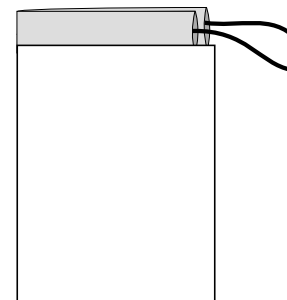

fold B vertically
(rough edge of A facing out)

line up edges of A and pin
(ok if B has some overhang)

sew

flip bag inside out

that's it!
